ROMANIA – Aid dispatch  
and Dansu family

*Dear Friends and  
Supporters,*

First of all we want to report that the appeal for funds for the Dansu family with four young children, whose house had burnt to the ground, within a short period brought in a total of SEK 49,500, thanks to the Vahlquist Foundation, which immediately donated SEK 20,000, and all other compassionate and generous donors, so now SB Foundation can send the family the means to build up a solid new house from the ground. It is better to pay for a small house that is well constructed than building and paying for one that is mediocre. A big thank you to everyone who helped the Dansu family get a new home! We share the family's joy!

We can also recount that on Friday afternoon March 17 the truck with SB Foundation's aid supplies departed from Stockholm. According to EU regulations large trucks must pause on Sundays, but Tuesday morning at 8 AM the cargo intended for the village of Bogdand in Romania was unloaded without incident and the same occurred in the afternoon in Ciumeghiu. However, on arrival in Voivodeni, the driver took the wrong road. When he tried to turn around, a few wheels ended up off the road in a muddy field; and two tractors had to pull the truck back onto the road again. Fortunately, all went well, and as the pictures show, the recipients could partake of the much needed and longed for clothes, shoes, and household items. The bags of vegetable seed were also much appreciated.

Greetings from SB Foundation  
and us on the Board,

*Arne, Elisabeth, Gloria, Ivar, Lena, Roger*
