ROMANIA - Voivodeni  
Christmas gifts and more

*Dear Friends and  
Supporters,*

Before Christmas, there was much to organize in Voivodeni. Christmas presents needed to be Purchased for 154 children (native-born as well as refugees) as well as holiday food for all retirees over age 75. Everything needed to be allotted and packed. Eleven families were getting wood to heat their homes.

SB-Foundation sent funds for all of this, but the work was done in Voivodeni.

A young mother, whose husband is incarcerated, making her the sole caregiver of her four under-age children, received a pig, as she did last year. She economizes well so it lasts most of the year. The Foundation paid for the pig and the local butcher butchered it for her for free.

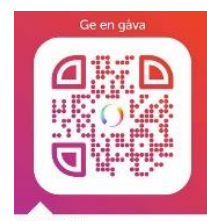

Denes tells us that the large woodshed, which was rebuilt during the Fall (see the picture

to the left and the September 2023 Newsletter), is now furnished and ready. One Ukrainian mother with two children has arrived and moved in and soon, yet another mother from Ukraine will arrive with her children.

Thank you for helping us help ever more people and spread joy! The needs are great. Feel free to use "Swish."

Warm greetings from SB-Foundation, via us on the Board,  
Arne, Elisabeth, Gloria, Lena, Roger
