*Dear Friends and
Supporters,*

After summer break, the teachers and students of the School for Blind Children gathered in the School's auditorium, where the children with birthdays during the past two months were celebrated. SB Foundation treated everyone to birthday cake and candy bags. The principal gave an opening speech and – with the aid of Braille – read a few Bible passages.

Three small pupils.

All ten student who took the State sponsored exam (see our May Newsletter) received good marks. Congrats, from us!

One day the School for Blind Children had a visit from a local School of Higher Education. The visitors wanted to better understand how pupils with impaired vision study. A few of the children gave practical demonstrations and a lively discussion ensued as everyone wanted to participate and share their thoughts and experiences.

Suchitra, who – thanks to financial support from SF-Foundation's donors – is a nursing student, shows her beautiful diploma with a happy smile.

Thank you for your support of all the students at the School for Blind

Children and their subsequent vocational training. Warm greetings from the Board Members of the SB-Foundation, *Arne, Elisabeth, Gloria, Ivar, Lena, Roger*
