Sweden – Aid transport

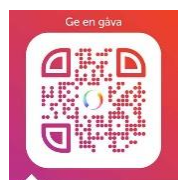

*Dear Friends and
Supporters,*

An aid transport always requires a lot of work and preparation are always required, and this time it was more arduous than usual. A company in Stockholm that was about to move from its premises had offered the Foundation very fine office furniture. In Voivodeni, Romania, there was a need for them at the school, medical clinic, elementary school office, and other places. The problem was that the truck we use for transports was too large to enter the Hålsingegatan/Härdgängen where the furniture was located. The solution was to rent two smaller covered trucks that shuttled back and forth between Hålsingegatan and Floragatan, where SB Foundation's large truck was parked and all the moving cartons with clothes, shoes, toys, and more would be loaded. It was a real challenge, and the Board is deeply grateful to all who helped in different ways – Agneta, Anderz, Birgitta, Christina, Elena, Fredrik, Greger, Jacob, Katarina, Lilian, Lollo, Margareta, Maria, Martin, Ragnar, Roffe, Stellan, Susanne, and Thomas. A HUGE THANK YOU TO EACH ONE OF YOU and to John who connected us to the company in Stockholm. And we are grateful that by the grace of God the sun was shining over us on this day – not one drop of rain or snowflakes hampered the project!

Warm Christmas greetings to all the friends of the SB Foundation from us on the Board, *Arne, Elisabeth, Gloria, Lena, Roger*
