ROMANIA -
VOIVODENI

*Dear Friends and
Supporters,*

Many adult Romani are still unable to read, write, and do basic arithmetic. This is true also in Voivodeni, Romania. To give them a chance to acquire these skills SB-Foundation pays for a ten-months course at a total cost of SEK 90,000. The course began in May and continues through February 2023. After they complete the course, their prospects for the future are much improved and their daily lives made easier.

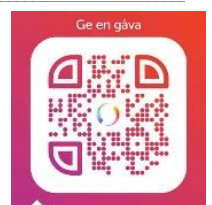

Here the participants are gathered in the preschool in Voivodeni, where the instructions take place with specialized teachers.

SB-Foundation and all of us on the Board, *Arne, Elisabeth, Gloria, Ivar, Lena, Roger*, send our warm gratitude for your donations.
