Moldavia – Ukraine
Christmas gifts

*Dear Friends and
Supporters!*

Since 2006, SB Foundation has sent Christmas gifts to children in Moldova every year, and this year is no exception. Since Russia's war against Ukraine began, there are now many Ukrainian refugee children in Moldova who will also receive part of this year's shipment. The Christmas gifts mainly consist of various stuffed animals. Although they do not weigh much individually, the total weight amounts to 17 kg.

The pictures were taken on December 5th, when the wrapping took place. The following day, the three packages were transported with help of a hand truck to the PostNord office at Östermalmstorg in Stockholm, where they were handed in and assigned individual

tracking numbers. Thanks to these numbers, each shipment can be tracked digitally. So, we can see that the packages were first transported to Segeltorp and

then to Malmö's parcel terminal, where they were processed and cleared by customs. They should arrive before Christmas. Exciting!
