*Dear Friends and
Supporters,*

The School for Blind Children helps improve some of the pupils' homes by laying the roofs with corrugated iron. With money from the SB Foundation metal sheets are bought as well as other materials needed for the refurbishing. It is all loaded on a

truck and transported to the villages of the families from the market in Nagrakata. Raj (in a striped shirt) from the School for Blind Children tells us about some of the students and their families in the district Jalpaiguri in West Bengal.

Anmol Oraon, (the above picture) is 8 years old. He was admitted to the school in February 2021. His parents work at a tea plantation named Grassmore.

This boy's name is **Arbind Barla**. He lives on the Nayasaylee Tea plantation, where his parents work. He is 11 years old and attends 3rd grade. His home was one of those that received new roof sheets in order to stop the rain from getting inside.

Sachit Oraon is a new student, 8 years old. He was admitted in February 2021. His parents also work at the Grassmore Tea plantation.

Because of the Corona lock-down we also brought food to the students and their families, says Raj.

Greetings from the SB Foundation and all of us board members,
Arne, Elisabeth, Ivar, Lena, Roger
