ROMANIA - Voivodeni
School lunch etc

*Dear Friends and
Supporters,*

To the extent of our ability, SB Foundation helps people become financially self-sufficient. Already last year, two farmers, Nagy Alpar and Takacs Attila in Voivodeni, asked for contributions to each purchase a crop protection machine and SB Foundation was able to assist. Here, in photos we have now received, you can see the machines (one green and one yellow) that were acquired. If we help a few, they in turn can help others. If you want to know what Jesus said in the parable about the Ten Minas or about the Sower, see Luke 19 respective Matthew 13.

Going back many years, SB Foundation has paid for school lunches for all students in Voivodeni. Remittances are made twice a year and now it is time to pay for the second half of the year. We are talking about as large a sum as SEK 78, 000, in addition to support for refugees in Voivodeni (SEK 17,000/month).

A big thank you to the foundations and private individuals who contribute so we can manage these large expenses! The needs are great. Feel free to use ‘Swish’.

Warm greetings from
SB Foundation via us,
Arne, Elisabeth, Gloria, Lena, Roger

The student in the middle shows that he likes the school lunch by giving a thumbs up.
