Ciameghiu

Romania

*Dear Friends and
Supporters,*

In our information letter of March 2021 we told you about the foundation having paid for the buying of a cultivator in the Romani village Ciameghiu, Romania.

Now we have got some pictures from there, showing how it has come to use.

We are happy about the various small-scale projects making a difference for the better and we thank all our contributors.

Summer greetings from
the SB Foundation and our board
members
