NORTH MACEDONIA
The School in Bitola,
Grade 1

*Dear Friends and
Supporters!*

When our group from Sweden arrived in the classroom, all the little first-graders sat quietly and a little shy, busily occupied with drawing and painting. It was encouraging to see that one of the students received remedial support from a special teacher and that the student who needed glasses wore them.

The blue toy dogs that Annika distributed to each child from Fadderbarnsfonden (Handelsbanken's not-for-profit Children's Fund) were a great success, as were the T-shirts that Yulia bought at the market in Bitola for funds she had brought from friends in Sweden, when they heard that she would travel with SB-Foundation to North Macedonia to visit Hand-to-Hand's project that the Foundation supports.

At that point [when the students received the items], their shyness disappeared – they hugged their dogs and tried on their T-shirts.

The Georgi Sugarev school in Bitola sends a warm thank you to all donors via us on
