INDIA – One more thank you letter and a new semester for the School for Blind Children

Dear Friends and Supporters,

Sarah Chandane from Pune in India writes: I am glad to be able to tell you that thanks to the education support from World Prayer Day and SB Foundation, I can focus on my studies without worrying about the financial burden. I am in my first year in the post-secondary educational program for nurses and I am enjoying every part of it. The knowledge and skills I gain will help me reach my goals and will also have a positive impact on my surroundings. I am very grateful for this opportunity,

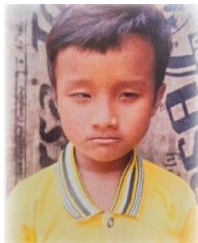

and I know it would not have been possible without your support. Thank you, yet again for your generosity and for believing in me. I hope to be able to make you very proud of my future achievements very soon. Much love, writes Sarah and sends three red hearts ❤️❤️❤️ as well these two photos from her training,

Before the School for Blind Children in Cooch Behar closed for a month's vacation, the school arranged so that parents could meet teachers and get information about their children's development and progress as well as about the school rules. When the new semester began, some students had a problem making it back to school because of heavy monsoon rains, which caused massive flooding in some areas, but in the end, they succeeded to return, Raj, who is the administrative director, tells us. Two new students have been accepted. We would like to reach and help as many as possible, says Raj.

A WARM THANK YOU to each and every one who supports the Foundation's aid work!

Greetings from the SB Foundation and us on the Board, *Arne, Elisabeth, Gloria, Lena, Roger*
