Moldova - UKRAINE

*Dear Friends and
Supporters,*

The Baptist Church in Ceadir Lunga is to be seen in the background. The republic of Moldova has just under 2.9 million inhabitants.

A NEW EMERGENCY CALL FOR REFUGEES FROM UKRAINE – THIS TIME FROM MOLDOVA

The map downloaded from the Internet

Moldova, one of the poorest countries in Europe and with the horrors of war (1990-1992) in memory, now gets a stream of refugees from Ukraine.

Ever since two of the SB Foundation's board members (Elisabeth and Lena) visited Moldova, the Foundation has not been able to let go of thoughts about this country. But it has been difficult to send relief shipments there, as the country is outside of EU and shipments can be left at the border for days before they are let in. Therefore, we have only been able to send Christmas presents by mail to the children each year. But because of the acute refugee crisis we asked the Baptist congregation in Ceadir Lunga what the situation looks like there and if they need economic help. We received the following answer from Lili, the daughter of pastor Vladimir:

Yes, the church in the town Ceadir Lunga receives refugees, and the congregation members open their homes to them. Thank you for your willingness to help and serve!

We welcome your support. Write MOLDOVA on the payment if you want your gift to go there.

Greetings from the SB Foundation and all of us board members,

Arne, Elisabeth, Ivar, Lena, Roger
