Voivodeni – Self-help

*Dear Friends and  
Supporters,*

Those of you who follow the activities of the SB Foundation will recall that in last month's Newsletter we told you about a farmer who was distraught because his horse had died. It had been his only means to provide for his family. Thanks to the SB Foundation's generous donors, the farmer was able to get a new horse swiftly and, moreover, the funds were sufficient to also buy him a foal. What a blessing! It brings to mind the Old Testament story of Job, who lost everything and later received twice as much as he had before. Judging by the photo, the farmer and his new horse are already good friends. The farmer and his family are immensely grateful.

The SB Foundation's self-help projects are very beneficial. One

family has improved their old house (see picture). Another family received assistance to acquire a pig and also a small greenhouse to grow vegetables.

The man in the picture to the right has received a rotary cultivator to work his fields.

Your and SB-Foundation's support is needed for both refugees and native Rumanian villagers. To each one who have donated and continue to do so, a warm and heartfelt Thank you!
