Truck delivery

*Dear Friends and
Supporters,*

On Christmas Eve, the 24 th of December 2023 at 1:00 PM, the truck with SB-Foundation's aid dispatch arrived at its final point of delivery in Voivodeni, Romania. The photo shows the furniture being unloaded. See, how nice the school turned out with the red cupboards for book, and the office with desk and cabinet.

Thank you to the company that donated the furnishings!

This family in Voivodeni with three children has received some of the toys from the aid dispatch. The children's father became unemployed when the company he worked for went bankrupt. He is looking for a new job but has not found it yet. For the time being the family lives on child support the mother receives from the government – SEK 1 920/month. When you know that food is almost as expensive there as in Sweden, you understand that life is not easy. We are happy that our toys could bring a little Christmas cheer to the whole family.

Thank you for joining us in spreading joy!
The needs are great. Feel free to use "Swish".

Greetings from SB Foundation via us on the board, *Arne, Elisabeth, Gloria, Lena, Roger*
