*Dear Friends and
Supporters,*

The heavy rains of the monsoon have taken a big toll on the buildings of the School for Blind Children. Renovations have begun with funding from SB-Foundation so that the premises are restored and look nice again. At this reporting, the roof repairs have been completed and carpentry work has started to make benches and desks for the classrooms.

The students are preparing for the annual exams, which are held during the last week of November and first week of December. We hope everyone passes and receives good marks so they can move up to the next grade.

Thank you warmly for your support of the School for Blind Children!

With greetings from **SB-Foundation** and all of us on the Board, *Arne, Elisabeth, Gloria, Ivar, Lena, Roger*
