ROMANIA - Voivodeni  
Elderly Day

*Dear Friends and  
Supporters!*

SB Foundation has received photos from "The Elderly Day" in Voivodeni, an event the Foundation has helped fund for several years, so also this year. Denes Csaba reports that the participants (aged 70 and above) were very happy that we have not forgotten them. The celebration began with a church service, featuring poetry recitations and songs by young people. The artist Berekméri Réka also

participated, as well as parliamentarian Kulcsar Karoly from the Romanian Parliament, who delivered a speech addressed to the elderly. Afterward, attendees enjoyed a festive meal at beautifully set tables, with the cantor singing songs for all the "beautifully aged," as the elderly are affectionately called. A very pleasant ambiance was created, according to Denes Csaba. When they went home, each participant received a bag filled with various treats. Thank you for your support, says Denes Csaba
