*Dear Friends and
Supporters,*

The Bread Foundation's contact person in the Bihor region of Romania, Mr. Ghita Anddrasi, appealed for help for food to ten poor Roma families with many children in the village of Gepiu. He visited the families consisting of 20 adults and 77 children, i.e. a total of 97 people, and noted what food items they need most and handed over the food in a black plastic bag to each family, who were very grateful for the help. But even if food is the most important thing for the moment, there is a lot that needs to be fixed in the houses they live in, which often lack both real doors and windows. It is hard to imagine living like that when winter is approaching. And although nearly a hundred people received help now, there are of course many more who need help. But many small drops you know... and we are happy about this drop.

Warm thanks from the SB Foundation to each donor!
