ROMANIA
Voivodeni - Ukraine

*Dear Friends and
Supporters,*

On the 25 th of August a new group of refugees from Ukraine, twenty-four children and two leaders, arrived in the village of Voivodeni. Here they are shown standing outside the pre-school, which SB

Foundation has renovated, and where they are welcomed and temporarily housed. Our contact person in Voivodeni, Denes Czaba, brought the children to a farm with forty-four cows, twenty-nine of them dairy cows, and showed them how they are milked by hand. For three weeks, the farmer has donated fifteen liters of milk to the refugees every day. Everyone is doing their best to help out in this refugee situation. The farmer needs both an electric milking machine and a milk cooler and stainless refrigerator to keep the milk chilled until it is transported to the dairy facility. Perhaps a “self-help” project for SB Foundation?

Warm thank you for your support of the foundation’s projects!

Greetings from **SB Foundation** and us at the Board, *Arne, Elisabeth, Gloria, Ivar, Lena, Roger*
