ROMANIA – VOIVODENI  
Housing for Ukrainian  
refugees

*Dear Friends and  
Supporters,*

As is apparent from SB Foundation's ongoing newsletters, new groups of refugees arrive from Ukraine to Voivodeni time and time again. Until now, they have been given shelter in rooms in the parish building, but larger space is needed, so the congregation decided to refurbish a large woodshed. They ask that the SB Foundation pay for the material needed (a purchase cost of approx. SEK 52.000), while the members of the congregation offer up the labor.

While waiting for a decision from SB Foundation, the congregation has – as the pictures show – already enthusiastically begun preparation for the rebuilding. They really do what they can to receive refugees as well as possible. – And, SB Foundation will, of course, help to the extent we can.

Greetings from **SB** Foundation  
via us on the Board,  
*Arne, Elisabeth, Gloria, Lena, Roger*
