New Year 2025

INDIA – Andaman islands

*Dear Friends and
Supporters,*

In countless places around the world, people sing the joyful Christmas message: "Unto us a Savior is born." Here, a small congregation on the Andaman Islands joins in the singing.

Rev. Moses Massey tells us that shortly before Christmas, some members of the church leadership visited a home for the elderly. He writes: *"The joy of the elderly, both for the visit and the Christmas gifts, warmed our hearts. Around 85 people attended the Christmas service at the church. We sang many songs, and I delivered a Christmas sermon based on John 1:1-14."* Moses

continues: *We distributed Christmas gifts to the children, and we all enjoyed Christmas cake as well as the fellowship at a shared Christmas dinner. All of this was made possible by your generous support, and we are deeply grateful. It fills me with immense joy, and I want to thank you for being part of the Christmas celebration here and for spreading love to so many."* Moses concludes with: *Best wishes for the New Year 2025 from all of us on the Andaman Islands"*.
