

# STIFTELSEN BRÖDET

News letter to friends and supporters

December 2019

## *Dear Friends and Supporters,*

On November 21, the SB Foundation's partner in Belarus, WWB WorldWithoutBorders arranged a festival for handicapped children in the capital of Minsk. A group of 10 children from 9 orphanages in different parts of the country came to Hotel President in the city center. When they first arrived, they were given juice and cookies and once everyone was present lunch was served in the five star hotel dining room by elegantly dressed waiters.

After that, it was time for every group to perform on the large stage before well-known artists, a panel of judges and a big audience. Lollo and Lena from the SB Foundation, as well as Marie from Handelsbanken's Orphan Fund had come to join the event (at their own cost, of course), and we brought 60 soft toys. These were just enough to give each child, who did not receive a prize, a soft toy. What a joy! And what a great experience for the children to perform and to be admired for their song, music and acting ability etc.

*Regards, Lena, Roger, Arne, Elisabeth, Ivar*
