Newsletter to friends and supporters

Summer 2019

Dear Friends and Supporters,

On Friday the 19th of July, although in the middle of our summer holiday, a willing group of people came to fill a long-distance truck with charity goods collected by the SB Foundation, to send to Romania.

We mostly loaded clothes, shoes, beddings, household equipment, umbrellas, paintings, some computer equipment and a keyboard, but also the handmade gifts and colouring crayons we mentioned in a previous letter. While we were loading, the sun was shining, but only half an hour after it was all done, there was a thunderstorm with rain showers lasting for half an hour. If that had come earlier, much would have been ruined, but now we felt that our Lord in Heaven had a hand in this.

There was also space in the truck for a second-hand electric wheelchair, which Thomas and Maria Rosengren had obtained through the Salvation Army Human Aid in Västerås. Thomas showed us how it works. It was not bought by donations from the SB Foundation, but donated by one of our supporters. The wheelchair will be given to a severely burned man in Tulca, Romania. Hopefully it will provide assistance for the man, whose name is Soros, and give him greater mobility.

The shipment has now reached its destination and has been unloaded at our contact organizations in Romania: in Bogdand, Cluj and Ciumeghiu.

Greetings

Lena, Roger, Arne, Elisabeth, Ivar
