The SB Foundation (The Foundation of Bread)

News letter to Friends and Supporters

Spring 2017

Dear Friends and Supporters,

As you know, we have mostly written about only one of the two school projects, Floresti, which the SB Foundation runs in Romania. Now we have received some photos from the other project as well, the one in Voivodeni Mures. Have a look at the pictures!

Here the pupils are given school lunch thanks to a cooperation between the Voivodeni community (paying slightly more than 50%), the SB Foundation (paying the remainder) together with the school and the Reformed Congregation in Voivodeni (doing the practical work).

Here are the dormitories, equipped by the SB Foundation for kindergarten children in Voivodeni, used also summertime for youth camping.

Here are some pictures from the packing of Christmas food in carriers, paid for by the SB Foundation, for the benefit of poor families.

Many thanks to each and everyone who has given and gives economic support to the SB Foundation projects!

Warm spring greetings

from **Stiftelsen Brödet** /the SB Foundation/ and the whole board
